Came on for consideration the above-referenced criminal action, the Court having heretofore referred the request for the revocation of Defendant's supervised release to the United States Magistrate Judge for proper consideration. The Court has received the Report and Recommendation of the United States Magistrate Judge pursuant to its order. Defendant having waived allocution before the Court as well as his right to object to the report of the Magistrate Judge, the Court is of the opinion that the findings and conclusions of the Magistrate Judge are correct.

The Court further recommends the imposition of the special conditions set forth in the Report and Recommendation, as follows:

with the treatment provider, will supervise your participation in the program. You must pay any cost associated with treatment and testing.

You must participate in any combination of psychiatric, psychological, or mental health treatment programs, and follow the rules and regulations of that program, until discharged. The probation officer, in consultation with the treatment provider, will supervise your participation in the program. You must pay any cost associated with treatment and testing.

You must provide the probation officer with access to any requested financial information for the purpose of monitoring your sources of income.

You must not use or possess alcohol.

The Court also recommends that Defendant be housed in the Bureau of Prisons facility in El Reno, Oklahoma, if appropriate.
